***PAC fees **:** Under Texas Election Code, Chapter 253, the Political Action Committee (PAC) fee is a voluntary contribution.

- Late Entries:** Late entries will be allowed by paying **50 percent** as much as is due on original entries, plus remaining fees. - By your signature on this form, you agree and acknowledge that the NCHA's acceptance of any full or partial payments for any entry does not guaranty that the entry will be allowed to show at the Summer Cutting Spectacular. All entries must meet all requirements for the class or subclass in which they are entered to show in at the time that the competition occurs. In the event that the NCHA determines, in its sole discretion, that an entry is not qualified to show in any class or subclass in which it is entered at the time of the competition under NCHA rules, you agree that the NCHA can eliminate that entry with no further liability to the NCHA.

II. Rules Applicable to Non-Pro Entries

- A Non-Pro has two options on entering the Classic/Challenge in the Non-Pro division.**
 - You may name your horse when you send in the first payment.
 - You may enter under your name (slot).
- Non-Professional riders may purchase only the number of "slots" for horses which they are eligible to ride—4 of any combination.**
- A Non-Professional rider's name (slot) may be sold to another**

Non-Professional.

- A Non-Pro may sell their slot or named entry after the draw but before the beginning of the first scheduled go-round. The buyer will be required to submit horse registration papers or a bill of sale showing proof of ownership to the NCHA along with \$400 by 5pm the evening before the go-round starts. After 5pm and prior to the start of the go-round, the charge will be \$500. When a Non-Professional or Amateur sells a slot after the draw they cannot repurchase another slot in that class. They may however buy a horse from another Non-Professional or Amateur which is entered in that class and show the purchased horse in the slot which has been assigned to that horse.
- If, at the time final nomination payment is made, the horse or horses to be ridden are not named, you have the option to withhold this information until 5pm the evening before the event for an additional charge of \$400. Any slot entry that is not complete by 5pm the evening before the start of the first go-round (rider change, horse name, fees paid or slot sale) will be charged \$500.
 - Each Non-Professional Classic/Challenge entry shall name the horse or horses to be ridden. If a Non-Professional rider doesn't name his/her horse or horses before the draw, the working order will be drawn in the name of the rider; if four horses are entered they shall work in alphabetical order. A rider who names one horse will work in the first assigned draw and the other draws will be left vacant.
 - Double Entry and Transfer Privileges**
Entry made in a Non-Professional rider's name (slot) may not be transferred to the Open division.
 - Any horse paid up to date in either division on or before the May 10 payment may enter in the other division without a late penalty. If you have a Non-Pro slot, you must name your horse at this time.
 - A Non-Pro can transfer to the Open division if the horse is named on the first payment entry form.
 - A horse (not a slot) may be transferred to or from either division on or before May 10 without penalty. A transfer after the final payment but before the draw will be required to pay \$1000 plus a \$100 transfer fee.
 - A Non-Professional must send in proof of ownership of horse as required by NCHA standing rules with accompanying entry.

After the draw any horse that is in the Open Division may sell their draw position if a veterinary certificate is received stating that the horse entered is unable to compete. The buyer of that draw position will be required to pay NCHA an additional \$2,000. (\$1,000 jackpot, \$1,000 office charge). Horse registration papers must be submitted to NCHA for the new entry. This transaction must be completed before the beginning of the divisions' first go-round to be able to compete. A horse that has had their draw position sold will be unable to be shown in any other division for the remainder of the show.
3. **Change of Ownership:** An entry may change ownership and retain eligibility under the new owner, provided the National Cutting Horse Association Limited Age Events Committee is so advised and the new owner keeps up all payments when due.

In order to establish a working order for this entry, the judge will draw one number based on the original draw numbers and insert the entry in the position drawn. The entry shall work behind the number drawn.
 9. **Identification of Horses:** A photocopy of the registration (at the time of nomination) certificate of registered horses must be provided prior to being shown. If the horse being entered is unregistered, adequate proof of ownership (unregistered horse application, bill of sale, photos front & back & both sides, and a vet statement attesting to age) must be forwarded to the NCHA business office no later than April 10, 2018.  19. Each horse is allotted two and one-half (2 ½) minutes to work during a run. The working time starts when the rider crosses the official time line. As soon as the horse, owner and rider's name are called to the herd by the announcer (the "Rider Announcement"), the announcer will start the 1-2 ½ minute clock to let the rider know how much time the rider has to cross the official time line and begin the rider's run. If the rider has helped the contestant immediately preceding the rider's run or has drawn back to back in the working order, the rider will have 2 ½ minutes from the Rider Announcement

to cross the official time line and start their run. If the rider has not helped the contestant immediately preceding the rider's run or has not drawn back to back in the working order, the rider will have 1 minute from the time of the Rider Announcement to cross the official time line and start their run. This is referred to as the 1-2 ½ Minute Clock.

If the rider fails to cross the official time line in the time allotted under the 1-2 ½ Minute Clock, a buzzer will sound and one additional minute will be added to the 1-2 ½ Minute Clock. **This buzzer is the only warning that the rider will receive relating to the 1-2 ½ Minute Clock.** If the rider receives any additional buzzers relating to the 1-2 ½ Minute Clock at any time during that show, it will result in a \$500 fine per occurrence (i.e.- second buzzer is a \$500 fine, third buzzer is an additional \$500 fine, etc.) All fines assessed under this rule must be paid prior to the rider's exhibiting a horse in any future NCHA produced event.

All NCHA produced events will use the 1-2 ½ Minute Clock as described above. It will be optional for all other NCHA sanctioned events to use the 1-2 ½ Minute Clock as described above.
