STANDING RULE 4 (in part) Item #5

b. Failure to timely make payments due to Show Management. Any member that fails to timely pay when due any obligation owing to the Show Management relating to the member's participation in the show (i.e., for entry fees, stall charges, etc.) is subject to the disciplinary actions provided for in this Rule. The term "Show Management" as used herein is the organization or individual acting as sponsor of a cutting horse contest for which said organization or individual sought and received the approval of NCHA to conduct the cutting horse contest (or any other person(s) designated by said organization or individual to act on its behalf).

The NCHA does not generally guarantee any payments due to Show Management. However, for NCHA approved shows that are required to pay the NCHA 8% of all entry fees owed under NCHA rules, the NCHA does guarantee payment of entry fees only, but under the following conditions: (i) the member paying the entry fees must be an NCHA member in good standing at the time that the entry fee is paid; (ii) the show in question has timely paid the NCHA the entire 8% of all fees owed to the NCHA as provided for in NCHA Rules; (iii) the cutting horse contest must be approved by NCHA in advance in accordance with NCHA rules; and (iv) Show Management must request reimbursement from the NCHA for any unpaid entry fees within thirty (30) days after the show's closing date.

Show Management may take any actions it deems reasonably necessary to collect unpaid fees which it feels are in the best interest of the show, so long as such actions comply with NCHA Standing Rules. If a member feels that Show Management has not acted in the best interest of the show or has violated NCHA Standing Rules in its collection efforts, the member may file a complaint with the Executive Director. The complaint will be handled by the NCHA Grievance Committee in accordance with Standing Rule 37.

Any affiliate, individual, management or organization will be limited to holding three (3) NCHA approved shows per calendar month, plus one circuit per calendar year, not to exceed seven (7) consecutive shows. A circuit is any show running four (4) through seven (7) consecutive days in the same arena. Said circuit may not be held during a month which already contains three (3) approved show dates by one individual or affiliate. (Special permission may be granted the Executive Committee only if more show dates than allowed by this rule are requested by an affiliate, individual or organization.)

STANDING RULE 8.a CHAMPIONSHIP CLASSES Item #11

CHAMPIONSHIP CLASSES

Class Definitions follow:

a. NCHA Open Championship Cutting Horse class:

- 1) Monies toward World Champion Finals to be counted only at shows bearing the title NCHA Championship show. In order to qualify for this title, shows must meet all standing rules for approval and, in addition, must have an added purse in this class of at least \$200 per day.

Discuss the approval of championship shows with No Added Money

PROPOSED WORLD FINALS BASED ON POINTS #8

GOALS

- 1) *Not to diminish the accomplishment of ending up top 15 in the World Standings*
- 2) *Not to eliminate the importance of the World Finals Show*
- 3) *Not to eliminate the money available at the World Finals Show*
- 4) *Not to introduce yet another way of calculating points*
- 5) *Not to take away from the Circuit Program*
- 6) *To remove the perceived manipulation of the existing money based system*

METHODOLOGY

All of the show data for the top 50 riders in each World Finals class and several point scales were applied to the placings to compare finals placings based on \$\$ vs final placings based on the applied point scales.

During that exercise, it became clear that several things should be considered:

- 1) *Double Circuit Point shows adversely affected the top 15*
- 2) *Including every 'circuit awarded' point adversely affected the top 15*
- 3) *The percentage of final money earned was greatly impacted by the winnings in the World Finals show – so additional points would be needed to compensate for that show:*
 - a. *Horses in the Open / Riders in the Non-Pro classes earned as much as 38%.*
 - i. *In the Open, 2 were above 31% and 6 were more than 15%.*
 - ii. *In the Non-Pro, 2 were above 31%, 5 were above 18%*
 - b. *Horses / Riders in the Other classes was much smaller:*
 - i. *35K, 15K, 25K NNP and 5K NNP each only had 2 above 15%*
 - ii. *25K and 2K – each only had 1 above 15%*

PROPOSED WORLD FINALS BASED ON POINTS

PROPOSAL

1) Utilize the existing Circuit Championship Point Scale - 20 top / 2 bottom based on entries.

2) Included points Prior To World Finals:

- a. Shows with "Championship" designation (just like money system)
- b. Points counted only when the entry takes a check (just like the money system)
- c. When only 1 set of money is available, only 1 set of points is available (i.e., no doubling of points during the point year.)

3) Excluded points Prior To World Finals

- a. The 2nd set of points in any double point show – NCHA Weekend
- b. Circuit Championships – where points are only available to the qualified entries
- c. Challenger points (just like money system)

4) World Finals Points

- a. Open / Non Pro – 3x points in EACH GO (4 rounds + NWF) awarded to the top 8
 - i. 60, 54, 48, 42, 36, 30, 24, 18
- b. All Other classes – 2x points in EACH GO (2 rounds + NWF) awarded to the top 8
 - i. 40, 36, 32, 28, 24, 20, 16, 12
