35.A Zero Tolerance Policy

Inhumane treatment or excessive training of a horse in any manner is strictly prohibited. Both owner and rider of any horse entered in an NCHA approved or sponsored event, by said entry, consents to the implementation of any action allowed by this Zero Tolerance Policy (Rule 35.A) by either show management or judge. This includes any act which the general public would perceive to constitute inhumane treatment or excessive training of a horse. Any act of inhumane treatment, mistreatment, or intent to mistreat a horse will be dealt with in the strongest possible manner as provided for in this Standing Rule. This Zero Tolerance Policy covers acts occurring not only in the show arena, but also those occurring anywhere on the show grounds—the warm-up area, practice pen or any other location.

The “Zero Tolerance” policy encompasses all of the following acts:

1. **Excessive Training:** Excessive Training includes: excessive jerking; cueing; whipping; use of lip wire or similar device; slapping or hitting a horse on the head, or any other part of the body, one time or more than one time, in any manner, either with the rider’s hands, reins or any other object; using a bit in such a way that a horse is caused to bleed from its mouth or face; using any object held in the rider’s hand to hit a horse; or any other act which may cause trauma or injury to a horse.
2. **Inhumane treatment:** Inhumane Treatment is the exhibition of a lame or injured horse, or a horse that appears lame or injured, or a horse with any other health abnormality, which could thereby result in the horse’s undue discomfort or distress.
3. **Administration of injectable or oral medications or possession of any drug paraphernalia while in the show arena, practice arenas, alleys leading into the arenas or any other public areas of the show grounds is strictly prohibited unless administered in a life-saving situation which should only be done based on consultation with a veterinarian.**
4. Any member observing activity that violates these rules should immediately report such conduct to the NCHA Executive Director and/or Show Management. Any violation of this rule may result in disciplinary action which may include fines, probation and/or suspension as provided for in the NCHA Rules.
5. Please consult the NCHA Rulebook to ensure that you are familiar with and are abiding by all NCHA rules relating to the welfare of the horse at all times, including Standing Rules 35 & 35A.
