

2022 GREAT AMERICAN / NCHA SUMMER DERBY / NCHA SUMMER CLASSIC

Entry Information and Rules

1. To be held in Fort Worth, TX at the Will Rogers Memorial Center. The NCHA reserves the right to limit/decline entries for any reason.
2. All owners and riders of entered horses must be members in good standing of the National Cutting Horse Association.
3. Events
 - a. Derby: For four (4) year old (foals of 2018), all breeds.
 - b. Classic Challenge: For five & six (5-6) year old (foals of 2017, 2016), all breeds.
4. Divisions & Levels Offered
 - a. The show will be held in three divisions:
 - i. Open - Entry is made by horse. Owners may enter an unlimited number of horses in the Open Division. Once named, horse limits are imposed on the rider.
 - ii. Non-Pro - Entry is made by rider. Horse limits are imposed on the rider.
 - iii. Amateur – Entry is made by rider. Horse limits are imposed on the rider.
 - b. Within each division there are 3 levels based on RIDER eligibility:
 - i. Top Tier (Open / Non-Pro / Amateur)
 - ii. Intermediate
 - iii. Limited
 - c. A horse may be entered in all three divisions but only one time per level.
 - d. Entering multiple Levels within a division
 - i. OPEN & NON-PRO
 1. Top Tier / Intermediate riders will enter the Top Tier. If eligible, riders will also be automatically entered into the Intermediate.
 2. Limited riders can enter the Top Tier as a second entry. But the entry will not be combined, and they will ride twice into the herd.
 - ii. AMATEUR – Riders have two choices when entering more than one level.
 1. Entering Two Levels
 - a. Option 1 = **Separate Entries**. Entry can be made into two separate levels. The rider will ride twice into the herd. Example, Rider A enters the Amateur Top Tier and the Limited Amateur separately. They receive 2 draws within the first go round and 2 separate scores. The horse will not be drawn twice in the same set.
 - b. Option 2 = **Combo Entry**. Entry can be made into a combo for the 2 levels where the rider receives only 1 draw within the first go and only 1 score for both levels. Example, Rider B enters the Amateur Top Tier and the Limited Amateur Combo. They receive 1 draw within the first go round and that 1 score counts for both levels.
 2. Entering Three Levels

- a. Option 1 = **1 Separate Plus 2 Combo**. A horse cannot show more than twice in the same division. Entry can be made into one level separately and the other two as a combo. Example, Rider C enters the Intermediate separately and the Amateur Top Tier and Limited Amateur Combo. They receive 2 goes in the division go round. The score for the Intermediate stands alone and the score for the Amateur Top Tier and Limited Amateur Combo counts for both the Amateur Top Tier and the Limited Amateur.
- b. Option 2 = **All 3 as a Combo**. A rider only wants to ride to the herd 1 time but wants to enter all 3 levels. They enter the Amateur – Intermediate – Limited combo. Example, Rider D enter the triple level combo. They will receive only 1 draw for the division and that 1 score will count for all 3 levels.

b. Age Verification

- i. A horse is not eligible to participate if its age, as determined by examination of its teeth, exceeds the age shown on its registration certificate on registered horses or the notarized statement of age and description required for unregistered horses. Such determination by dentition examination to be made in accordance with *The Official Guide for Determining the Age of the Horse* as currently published by the American Association of Equine Practitioners. However, if the horse has received a dental examination by the NCHA at the Futurity and received a favorable result, that horse will not be retested for age at this show.
- ii. **Examination Procedures:** Each horse will be examined by a licensed equine veterinarian appointed by the NCHA, in its sole discretion, to inspect the horse’s teeth for age qualification. The guidelines used for this dental examination will be those set forth by the AAEP (American Association of Equine Practitioners) in effect at that time.
 1. If the dental examination reveals that the horse’s age appears to exceed that of the AAEP qualifying age guidelines, the NCHA veterinarian will immediately notify the Director of Shows that there is a potential issue concerning the age the horse.
 2. Upon such notification, the NCHA Director of Shows will immediately contact the owner or the trainer of the horse in question prior to initiating any further testing procedures on the horse.
 3. By entering a horse, the owner agrees that both the owner or trainer of the horse are fully authorized, individually, to consent to or decline to consent to

the additional testing procedures on the horse. These additional testing procedures outlined below.

- a. These additional testing procedures may include, but are not limited to, radiographs, photos, and videos of the horse's mouth, including molars.
- b. Further, these additional testing procedures may include sedation of the horse in question in order to perform the tests.
4. The owner or trainer of the horse has the option of either immediately withdrawing the horse from any further competition or allowing the horse to immediately undergo the additional testing described herein.
5. If such additional testing procedures are consented to and performed, they will be done at the owner's sole expense.
6. If the owner or trainer consents to allow the horse to undergo such additional testing procedures but fails to immediately make the horse available for such additional testing procedures, the horse will be disqualified from further competition in the event.
7. The records from those additional testing procedures, if any, will be submitted to a veterinary expert on horse teeth, determined by the NCHA in its sole discretion, whose credentials include that of being a Diplomat of American Veterinary Dental College, certified in Equine, for a second opinion as to the horse's age.
8. All costs associated with that expert's examination of the horse will be at the owner's sole expense.
9. This process must be completed, and a favorable opinion rendered as to the age of the horse for the horse to continue to compete. Should there be an unfavorable opinion rendered as to the age of the horse, the horse will be immediately disqualified from competing in any class.
10. By entering a horse, the owner and trainer agree that the opinion of that expert as to the horse's age will be final and binding for all future NCHA limited age events.
11. Should a horse be disqualified after the above process, all fees shall be forfeited for that horse, and the horse will be disqualified from further competition. However, if that horse is listed in a Non-Pro or Amateur entry, the contestant will have the opportunity to substitute a horse or sell their slot according to NCHA rules.

- iv. If the rider fails to cross the official timeline in the time allotted under the 1-2 ½ minute clock, a buzzer and an additional minute will be added to the 1-2 ½ minute clock. (this is the only warning that the rider will receive relating to the 1-2 ½ minute clock)
- v. If the rider receives any additional buzzers relating to the 1-2 ½ minute clock at any time during that show, it will result in a \$500 fine per occurrence. (i.e.- second buzzer is \$500 fine, third buzzer is an additional \$500 fine, etc.)
