5. All owners and riders of a nominated horse must be members in good

standing of the National Cutting Horse Association.

7. Failure to Pay Fees: All entry fees will be made payable to the National Cutting Horse Association in United States Funds or its equivalent and transmitted by U.S. Mail showing stamp cancellation date not later than midnight of the due date. All fees must be paid on or before dates specified or entry will be cancelled without refund. **There will be a 10-day grace period.**

a. The draw will not take place more than twenty-one (21) days prior to the beginning of the first scheduled go-round. Only those horses (or Non-Professional riders) for which all payments have been **received** in the NCHA office will be drawn. **There will be no exceptions.** In the event that a horse properly entered is left out of the draw, a redraw **will not** be held. In order to establish a working order for this entry, the judge will draw one number based on the original draw numbers and insert the entry in the position drawn. The entry shall work behind the number drawn.

8. Identification of Horses: A photocopy of the registration (at the time of nomination) certificate of registered horses must be provided prior to being shown. If the horse being entered is unregistered, unregistered horse application, bill of sale, photos front & back & both sides, and a vet statement attesting to age, must be forwarded to the NCHA business office no later than April 10, 2019. If between April 10 and thirty days before the Trials, \$100.00. Horses entered late after April 10 must furnish this identification with entry. Failure to comply will cause all fees to be forfeited and entry to be disqualified. A horse is not eligible to participate in the National Cutting Horse Derby, if its age, as determined by examination of its teeth, exceeds the age shown on its registration certificate on registered horses or the notarized statement of age and description required for unregistered horses, such determination by dentition examination to be made in accordance with The Official Guide for Determining the Age of the Horse as currently published by the American Association of Equine Practitioners.

During the NCHA Summer Spectacular, each horse will be examined by a licensed equine veterinarian appointed by the NCHA, in its sole discretion, to inspect the horse's teeth for age qualification. The guidelines used for this dental examination will be those set forth by the AAEP (American Association of Equine Practitioners) in effect at that time. However, if the horse has received a dental examination by the NCHA at the Futurity or the Superstakes and received a favorable result, that horse will not be retested for age at the Summer Spectacular. If the dental examination reveals that the horse's age appears to exceed that of the AAEP qualifying age guidelines, the NCHA veterinarian will immediately notify the Director of Shows that there is a potential issue concerning the age of the horse.

Upon such notification, the NCHA Director of Shows will immediately contact the owner or the trainer of the horse in question prior to initiating any further testing procedures on the horse. By entering a horse in the Summer Spectacular, the owner agrees that both the owner or trainer of the horse are fully authorized, individually, to consent to or to decline to consent to the additional testing procedures outlined below. These additional testing procedures may include, but are not limited to, radiographs, photos and videos of the horse's mouth, including molars. Further, these additional testing procedures may include sedation of the horse in question in order to perform the tests. The owner or trainer of the horse has the option of either immediately withdrawing the horse from any further competition in the Summer Spectacular or allowing the horse to immediately undergo the additional testing described herein. If such additional testing procedures are consented to and performed, they will be done at the owner's sole expense. If the owner or trainer consents to allow the horse to undergo such additional testing procedures but fails to immediately make the horse available for such additional testing procedures, the horse will be disqualified from further competition in any class at the Summer Spectacular.

The records from those additional testing procedures, if any, will be submitted to a veterinary expert on horse teeth, determined by the NCHA in its sole discretion, whose credentials include that of being a Diplomat of the American Veterinary Dental College, certified in Equine, for a second opinion as to the horse's age. All costs associated with that expert's examination of the horse will be at the NCHA's sole expense. This process must be completed and a favorable opinion rendered as to the age of the horse in order for the horse to continue to compete at the Summer Spectacular. Should there be an unfavorable opinion rendered as to the age of the horse, the horse will be immediately disqualified from competing in any classes at the Summer Spectacular. By entering a horse in the Summer Spectacular, the owner and trainer agree that the opinion of that expert as to the horse's age will be final and binding on all parties with no right to any further appeals. The owner and trainer further agree that the expert's opinion as to the age of the horse will be final and binding for all future NCHA limited age events.

Should a horse be disqualified after the above process, all fees shall be forfeited for that horse at the Summer Spectacular and that horse will be disqualified from further competition at that Summer Spectacular. However, if that horse is listed in a Non-Pro or Amateur entry, the contestant will have the opportunity to substitute a horse or sell their slot according to NCHA rules.

9. Change of Ownership: An entry may change ownership and retain eligibility under the new owner, provided the appropriate National Cutting Horse Association Committee is so advised and the new owner keeps up all payments when due.

10. Declining Entries: Entries to this contest are received subject to the right of the appropriate National Cutting Horse Association Committee to refuse the entry or the acceptance of a transfer of any entry without notice to the subscriber. The decisions of the Committee shall be final in all matters. The National Cutting Horse Association reserves the right to cancel this event without notice at any time prior to the contest without liability to them, but in such event, return all entrance money to subscribers.

11. Derby Trials (Both Divisions): All horses entered will work in the Derby Trials to be held before the actual Derby provided they meet all previous stated requirements. In the event that there are less than one hundred (100) horses entered in a division of the Trials, there will be no Semi-finals for that division.

12. Derby Open: The Top (20) horses plus ties to advance to the finals. Those advancing to the finals shall be based on the semi-finals score. The Top 20% of horses entered in the first go-round with a minimum of (45) and a maximum of (60) horses shall advance to the semi-finals based on their combined go-round score. 40% of purse to be paid in semi-finals and 60% in the finals.

13. Derby (Both Divisions): Upon qualifying for the Derby, horses will owe no further fees to remain eligible. Premium money will be paid to all finalists. Scores made in the Trials and Semi-finals to be disregarded completely, with scores made in the Derby only to determine placings. In the event of a tie for the Championship in either division, a workoff will not be held to determine the winner. If two tie, first and second place premiums will be added together, and split fifty percent equally. **(There will be Co-Champions)** If more than two tie, all premiums will be split equally. The work-off will be for prizes and the title. The premiums paid for the remaining participants in the work-off will be determined by adding the balance of the premiums for these places and dividing them equally among the Co-Reserve Champions.

14. Late Entries: Late entries will be allowed by paying 50 percent as much as is due on original entries, plus remaining fees. Late entries will be allowed after the draw but before the beginning of the first scheduled go-round by paying two times the nomination fee (\$5,000.00).

a. Any payment received in the NCHA office postmarked after the date due will be subject to a penalty according to the late penalty schedule.

There will be a 10-day grace period. Official postmark of the US Postal Service. Issuance of a check that is not honored for any reason or a credit card payment that is declined for any reason to cover an entry fee shall constitute no payment. To prevent late penalty, payment must be made good within the entry postmark.

b. All late entries must be made prior to the beginning of the first scheduled go-round (e.g. Derby or Classic/Challenge). Late entries made after the draw will be required to work last in a herd of cattle.

15. Judges: Five judges will be named to judge the event from those eligible judges on the NCHA Approved Judges List who have indicated their probable availability. All judges will be under the direct supervision of the NCHA Director of Judges.

16. Judging:

(a) Each judge will score every horse and the highest and lowest scores for each horse will be discarded. The total of the remaining three scores will be the horse's official mark.

(b) No individual scores will be announced; however, identifiable photo copies of all judges' cards will be posted.

(c) All score cards will be retained for three years and will then be destroyed.

(d) Anyone making remarks referring to the score or scores given any

horse to a judge, a Judge Monitor or to his or her companion or family will be given an immediate hearing by the appropriate committee and, if deemed guilty, will be disqualified, forfeit any money won and banned from the arena.

(e) The NCHA Adjusted Monitor System, and all rules and polices set forth by that system will be used.

17. All rules of the National Cutting Horse Association not in direct conflict with the rules of the National Cutting Horse Derby, as published herein, or amended in accordance with Derby Rule #18 shall apply.

18. These rules subject to change by action of the Executive Committee only.

19. Each horse is allotted two and one-half (2 1/2) minutes to work during a run. The working time starts when the rider crosses the official time line.

As soon as the horse, owner and rider's name are called to the herd by the announcer (the "Rider Announcement"), the announcer will start the 1-2 1/2 minute clock to let the rider know how much time the rider has to cross the official time line and begin the rider's run. If the rider has helped the contestant immediately preceding the rider's run or has drawn back to back in the working order, the rider will have 2 1/2 minutes from the Rider Announcement to cross the official time line and start their run. If the rider has not helped the contestant immediately preceding the rider's run or has not drawn back to back in the working order, the rider will have 1 minute from the time of the Rider Announcement to cross the official time line and start their run. This is referred to as the 1-2 1/2 Minute Clock.

If the rider fails to cross the official time line in the time allotted under the 1-2 1/2 Minute Clock, a buzzer will sound and one additional minute will be added to the 1-2 1/2 Minute Clock. **This buzzer is the only warning that the rider will receive relating to the 1-2 1/2 Minute Clock.** If the rider receives any additional buzzers relating to the 1-2 1/2 Minute Clock at any time during that show, it will result in a \$500 fine per occurrence (i.e.- second buzzer is a \$500 fine, third buzzer is an additional \$500 fine, etc.) All fines assessed under this rule must be paid prior to the rider's exhibiting a horse in any future NCHA produced event.

All NCHA produced events will use the 1- 2 1/2 Minute Clock as described above. It will be optional for all other NCHA sanctioned events to use the 1- 2 1/2 Minute Clock as described above.
