The NYCHA is dedicated to providing a well-rounded experience for youth members by focusing on leadership, educational programs, community involvement, sportsmanship and the responsibility of care for the greatest athlete in our industry, their horse.

The growth of the NCHA will come from our current/future youth leaders and investing in them is an investment in our future.

The NYCHA's goal is to provide our youth with the skill sets to be successful in the cutting horse industry and in life. Providing our youth with leadership and educational programs will foster great community leaders, industry professionals and well-rounded horsemen. Implementing a youth program with substance and sustainability, is the key to building a successful NCHA and NYCHA.

None of this could be possible without the support and generosity of our sponsors and our members donations.

The NCHA Foundation is organized and shall be operated exclusively for charitable purposes as a supporting organization to the National Cutting Horse Association; and is organized and operated to encourage, promote and develop the Cutting Horse as a highly unique and exceptional equine athlete.

The Foundation shall support the NCHA by maintaining youth scholarship funds and supporting youth programming, participating in animal welfare and research projects, developing and contributing to programs designed to further knowledge of the cutting horse and to honor the legendary horses and horsemen and women that have shaped our industry and to preserve and tell their stories for generations to come.

Political Action Committee (PAC)

The PAC fee is used by NCHA's Texas Events PAC to support activities that will promote legislation in the State of Texas intended to continue and promote the sport of cutting.
